PETITION TO CORRECT CONTINUATION STATUS

Commissioner for Patents
P.O. Box 1450

Commissioner:

The above-identified patent application was filed as a "continuation-in-part" application of U.S. Patent application No. 08/482,268, when in fact it was a "continuation" application of U.S. Patent application No. 08/482,268. This was an inadvertent clerical error.

As can be seen from the file history, this application does not add any new matter not contained in the '268 application. In fact, the specification of the present application as filed was a photocopy of the specification filed in the '268 application as can be seen by the Cross-Reference to Related Applications section and the Preliminary amendment to add the information about the '268 application.

Application No. 09/018,279

Applicant respectfully requests that the Patent Office correct its records as indicated in the above paragraph, so that subsequently filed applications may be filed under the continuation provisions of 35 U.S.C 120 and 37 CFR 1.78. Applicant further requests an updated filing receipt showing this change.

Applicant submits this Petition along with the \$130 Petition fee. Your prompt review and allowance of the Petition is greatly appreciated.

The Commissioner is hereby authorized to charge any fees under 37 CFR 1.16 and 1.17 which may be required by this paper to Deposit Account No. 03-1728. Please show our docket number with any charge or credit to our Deposit Account. A copy of this letter is enclosed.

Respectfully submitted,
